Dear Colleagues,

We are delighted to announce KOMPEGE 2024 (VI. International Ege Composite Materials Symposium) organized by Ege University Faculty of Engineering that will take place between November 27-29, 2024 in Ege University Campus, Türkiye.

KOMPEGE 2024 aims to provide a platform to bring together academicians, researchers, industrialists, practitioners and other related experts from home and abroad to share knowledge and experiences, which will promote intellectual and practical development in all fields of Technology, Engineering, and Science related to Composite Materials.

KOMPEGE 2024 can accept online / video presentations. The online presentation session will be arranged accordingly in the conference schedule.

The symposium will feature keynote lectures, technical sessions, poster presentations, and interactive discussions on a wide range of topics related to composite materials, including but not limited to:

- Composite materials processing and manufacturing
- Characterization, testing, and modeling of composites
- Advanced composite materials and structures
- Applications of composites in aerospace, automotive, marine, civil, and other industries
- Sustainable and eco-friendly composites
- Bio-inspired composites and biomaterials
- Nanocomposites and hybrid composites
- Recycling and circular economy of composites
- Composite materials for energy and environmental applications

We cordially invite you to join us at KOMPEGE 2024 to actively participate in this international symposium and contribute to the exchange of ideas, collaborations, and advancements in the field of composite materials.

For more information about the symposium, including registration, accommodation, and travel details, please visit our website at **www.kompege.org**

For the most efficient realization of the scientific Symposium, we kindly invite you to submit your original research works to the **International Ege Composite Materials Symposium KOMPEGE 2024**. We will be honoured with your participation and contribution to this event.

We look forward to seeing you at Ege University Campus-**Türkiye in November 2024**.

Best regards,

KOMPEGE 2024 Organizing Committee

Deadline for Paper Submission: October 31, 2024

Matters to be considered when sending a paper:

- Papers will only be accepted through the online paper submission system.
- Papers sent by e-mail will not be evaluated.
- The congress language is English and Turkish. Simultaneous translation will be provided during the congress.
- Papers should be written in English or Turkish. For papers submitted in Turkish, the abstract must be written in both English and Turkish.

Evaluation Process of Papers

- Papers will be evaluated by the referees in the scientific committee of the congress.
- Papers will be evaluated by double-blind peer-review process.
- After the papers go through the evaluation process, the acceptance and rejection of the papers will be notified to the authors, and corrections will be requested when necessary.
- Accepted papers will be presented at the congress and published in the congress proceedings. Authors can choose whether they wish to publish a full paper or only an abstract.
- When uploading their papers to the system, authors will be able to choose the form of presentation as oral or poster paper. However, the way of presentation will be decided by the referees according to the evaluation result.
- Papers accepted orally can also be submitted as full text, depending on the authors' wishes. The full-text contributions should be prepared and uploaded within the deadline after the announcement of the results of the contribution evaluation in accordance with the rules for the preparation of full-text contributions.
- All correspondence regarding the papers entered into the system will be made with the author who uploaded the papers to the system.

Paper Presentation

- Papers will be presented orally or as a poster.
- Papers can be presented in English or Turkish.
- Oral presentations will be prepared and presented electronically (Just accepted PowerPoint 16/9 format).

Oral Papers

- The presentation time for oral presentations is determined as 15 minutes (12 minutes of presentation and 3 minutes of discussion). It is important that the presentations are prepared in a way that does not exceed 15 minutes.

Poster Papers

- Poster papers should be prepared on a single page and should be 80 (width) x 120 (height) cm.
- There should be the title of the paper at the top of the poster papers, the names of the authors under the title, and the institutional information under the names of the authors.

Paper Writing Rules

- The page size of the manuscript should be A4 (210x297 mm). The left and right margins should be set to 2 cm (0.79 in) where top and bottom margins should be set to 2.2 cm (0.86 in). The page numbers should be centered at the bottom of the page.
- Times New Roman is the default font type to be used in all manuscript.
- The manuscript normal text size is 11 pt with 1.15 line spacing. The text and paragraph should be justified and paragraph spacing should be 10 pt.
- It is recommended to use at max 3 level heading. The first level heading (Heading 1) should be bold and have a text size of 14 pt. The numbering should be aligned 0.5 cm (0.19 in) away from left margin where the first letter of the heading should be aligned 1 cm (0.38 in) away. There should be 18 pt spacing before and after Heading 1.
